
Thomas \"BIG BUDDY\" Neill

I always knew that Tom was a great friend to many and that he loved children, but I must say I was in awe of the turnout at Parkview Primary for the celebration of his life. What a wonderful showing of support to Sandi and the entire Neill family as well as to all the children that he loved so very much.

Bedford lost a truly wonderful man the day he went to heaven , but I know it only means we have another angel watching over us.

To Parkview Primary Preschool , I hope "Big Buddy" memorial donations make his dreams come true to finish off the very special playground .
