
Poll Results vs. Election Results

I ran some quick numbers using the results available on WBIW's web site, and our poll was pretty close to the actual results. I was quite surprised.

Bedford Mayor

Jean Williams

BOL Poll results: 33%

Actual Results: 30%

Shawna Girgis

BOL Poll Results: 64%

Actual Results: 65%

Alan Craig

BOL Poll Results: 4%

Actual Results: 5%

Mitchell Mayor

Morris "Butch" Chastain

BOL Poll Results: 45%

Actual Results: 42%

Dan Terrell

BOL Poll Results: 55%

Actual Results: 58%

Any thoughts or comments on the results?
