
Smoking/Non Smoking Area Restaurants

Posted by jse87 - 2008/02/20 15:40

This thread discusses the Content article: Smoking/Non Smoking Area Restaurants

I believe jacks in mitchell is now smoke free with the new owners might want to check it out

I called Jacks and they said that the bar was still smoking, but there was no smoking in the restaurant. I don't know if the hvac system is separate between the two.
